CUSTOMER SERVICE EXCELLENCE

On Thursday 1 December 2016, Alan Ingram from the Department of Transport (DoT) presented a Certificate of Appreciation to Erica Sykes Fitzroy Crossing Customer Service Officer.

The Shire commenced DoT agency in May 2015 and since this time Erica's progress and development in her professional knowledge, understanding and skill in dealing with DoT matters has increased. Erica's attention to detail is evident in that she always ensures the paperwork is completed correctly, all transactions are processed according to DoT policy and if she is unsure of a procedure, she either researches the query on the Licensing Manuals or contacts Phone Support.

Erica is a young indigenous woman originally from Queensland who has been living in the Kimberley for the past 18 years. Erica has been an upstanding member of the local Fitzroy Community for a number of years now and is proudly setting an example for the young indigenous youth of the area to look up to and aspire to.
