YIRAMALAY STUDENT ACCOMMODATION

New Facilities Opening

On the 18th May, Shire President Geoff Haerewa and Councilor Denise Andrews attended the opening of the new student accommodation at the Yiramalay/Wesley Studio School.

Yiramalay is 80km from Fitzroy Crossing on the Leopold/Fairfield Road on Leopold Downs Station.

In the grounds set against a beautiful Kimberley backdrop with the Leopold ranges in the distance, Geoff said "This facility provides a great opportunity for the students from Fitzroy Crossing and Melbourne to develop lifelong relationships and learn from others who they would likely never meet".

If you would like to learn more about the partnership and facilities located outside of Fitzroy Crossing, please visit www.wesleycollege.net/Wesley-Life/Yiramalay-Wesley-Studio-School

PERTH - DERBY DIRECT FLIGHTS UPDATE

With the completion of the Derby Airport redevelopment project moving towards the final stages, the Shire has been in discussion with the Department of Transport to progress the opportunity for direct flights from Perth.

The Shire will be continuing to work with the State Government, driving the significant value that a direct air link with Perth will bring for economic development and community benefit.
