## **BEDFORD, Keith**

I am a Bunuba person, living at Junjuwa Community. My passion has always been youth and creating pathways for them to have a better life. If elected I will make it my ambition to speak for those that don't have a voice so that they are heard to bring about change. I have actively been involved with aboriginal affairs for the past 25+ years and sat on several boards as Chairperson, Deputy Chair and Director around Fitzroy Crossing. I am very much a team player but most importantly I am a communal person with communal values seeking a better working partnership within the Shire of Derby West Kimberley and its members.
