DE HAAN, Linda

My name is Linda De Haan and I would like to be part of your local counsel. I have lived and worked in Derby for the past 8 years. I am a psychologist and have worked in my chosen profession for the last 27 years. I have become part of the community and have been involved in many of the local committees in Derby with the aim of making a positive change to areas such as drug and alcohol abuse, youth problems and domestic violence.

I believe that I have good listening and problem-solving skills that I can bring to the table. I am hard working and will be committed to supporting the council in making a difference in the Kimberley. In my roles as a psychologist I have gained considerable experience and understanding of working with Indigenous and non-Indigenous populations and I have worked extensively with young people.
