## DERBY COMMUNITY EXPO 2025 – Welcome to Derby Day

The Shire of Derby/West Kimberley invites you to exhibit your business, community, sporting or volunteer organisation at the:

- -Derby Community Expo on Saturday 15<sup>th</sup> of February 2025.

These events provide local clubs, groups, businesses and service providers with the opportunity to promote themselves to residents old and new wanting to get involved in the community and find out what our community has to offer.

Stallholders may produce a display promoting their group's activities and services, distribute information brochures, merchandise and/or provide a food stall or activity demonstration. We encourage your organisation to offer flyers, brochures or giveaways and to be as interactive as possible in your display.

The Derby Community Expo event traditionally attracts locals as well as those new to town and is a great time to see how you can get involved in the community more. A sundowner music jam session will continue in the afternoon for an opportunity to socialise with other stallholders and community members.

We hope your club, group, organisation or business will take this opportunity to showcase your service to the community. Registration for events is FREE however stallholder places are limited therefore we ask if you can please return your completed registration form (attached to this letter) no later than Friday **31<sup>st</sup> of January 2025**.
