## GIANATTI, Allen

Moved to Derby in February 2019 and own the Mud Crab Motel in Hardman St, also providing business advice.

Although here just a short time it is clear that people in the Shire are struggling. Given the revaluation of properties in 2020 it isn't fair that people will have large increases in the rates in the dollar, because the Shire is not responsible with money.

My opinion is the Shire should concentrate on the basics, all roads to be sealed in Derby and Fitzroy Crossing, street lighting on all streets to discourage crime. Combine some staff functions with other Shire's - do we really need our own full time town planner?

Have own several businesses over the years both in WA and interstate.
