RILEY, Pat

My name is Patricia Lisa Riley, I am known by many as Pat Riley, I was born at Derby Regional Hospital and lived all my life at Pandanus Park Community. I'm a mother of four (4) and grandmother of two (2).

I am keen to take the opportunity to better understand the role of the council and use this to help the communities and the young youth to a brighter future.

Health and water quality is very important to me and I would like to see this issue improved and resolved into the future. I am also committed to raising awareness of issues such as housing, family support and jobs in the communities of the Shire, and will work whilst on Council to see these concerns raised in an effort to improve the future of our young generations..
