ROSS, Steve

My name is Steve Ross and am very happy to call Derby home.

As a child I grew up in Perth completing high school at Hollywood senior High School then went into the work force. All of my employment has been in the construction industry from installing ceilings to designing complex security systems for the new Perth Arena and having my own business in designing new homes for builders in Perth.

I'm currently a Field Supervisor looking after all the building maintenance for the people of Derby governed through the Dept of Communities Housing.

With this in mind, I feel I am a great fit to nominate for Councillor with the Shire of Derby West Kimberley. I am passionate about the standard of housing in and around our community and will look forward to providing the people of Derby a clear voice in Council.
