POOL ACTIVITIES

With the warm weather creeping its way back, now is the opportunity to partake in some aqua based activities.

Two great opportunities coming up are:

Flippa Ball is a fun, introductory, non-contact version of the game of water polo, the oldest Olympic team sport in history! Whether you are sports mad or just love cooling off in the water then this is the sport for you.

Come down on October 6th and 13th and take part in a fantastic day at the pool where you will learn some new skills and play some games. Remember to pack a water bottle and appropriate swimwear, sunscreen will be provided at the pool.

For more information, contact Davis Verboon on 9191 0910 or davis.verboon@sdwk.wa.gov.au

The Derby Splash'n'Dash will be on again towards the end of October (dates TBA) so now is the time to start getting ready for either the short or long course with some swimming and running practice in.

ANIMAL REGISTRATION

Cat and dog registrations are coming up on the 1st November so it is time to consider whether you have any that are required to be registered.

Dogs over the age of three months are required to be registered and all new dogs registered for the first time or are transferred to a new owner, need to be microchipped.

You will be required to provide proof that your dog has been microchipped by providing the microchip number.

Cat registrations are also due on the 1st November. All cats that have reached six months of age are required to be sterilized microchipped and registered.

Further information is available on the Shire's website.

DON'T FORGET

Information about these can be found on the Shire's website at www.sdwk.wa.gov.au
